EXPERIENCE

Director of Peer Mentorship Program | Leadership Academy @ Saunders Apr 2026 - Present
- Lead data-informed mentor matching and coordinate training, networking, and alumni initiatives while tracking participation and improving program operations.

Research Assistant | Saunders College of Business Jul 2025 - Present
- Synthesize 15+ academic sources on AI in hospitality and tourism, identify research gaps, and develop field-research objectives with industry stakeholders.

Sales Support Intern, Vendor Finance | First American Equipment Finance Jun - Aug 2026
- Researched 1,000+ equipment manufacturers and software developers; built vendor profiles and turned market research into prospecting intelligence for the Healthcare team.

PROJECTS

Energy Market Analysis & Visualization | Tableau, Python, Pandas Spring 2026
- Analyzed 70 years of energy data across four states and built KPI dashboards to compare renewable generation, energy intensity, pricing, and consumption trends.

Customer Churn Prediction | Python, JupyterLab, Scikit-learn Spring 2026
- Engineered 13 features from 2,520 records and compared classification models, reaching 94.4% cross-validation accuracy and identifying key churn-risk signals.

Business Operations Software | Python, SQLite, SQL Fall 2025
- Built a management system for three locations and six relational tables, automating sales, inventory, purchasing, and financial reporting.

LEADERSHIP

Webmaster; Former President and Vice President | Business Technology Professionals Apr 2026 - Present
- Manage digital communications for a 350+ member organization and support workshops and industry events.

Recruitment Chairman | Theta Chi Fraternity Apr 2026 - Present
- Coordinate recruitment events, outreach, candidate evaluation, and chapter processes.
